FIRE SAFETY PRESENTATION MADE TO CHILDREN

(July 19, 2011) On July 19th, more than a dozen children from the Family Life Education Center were treated to a very enthusiastic presentation by the Hartford Fire Department's Community Risk Reduction Division (CRRD).

Reaching the children of Hartford is a major component of the CRRD and the Hartford Fire Department's Fire Safety Blitz program. The presentation included safety tips on what to do if you find matches or lighters, stop, drop & roll techniques, exit drills in the home and stay low & crawl. Children's awareness of fire safety tips increases the chance of reduced personal injury or property loss. LT Lionel Thompson conducted the presentation and was assisted by Fire Cadets, Kelvin Nogueta and Melissa Vazquez.
